

Bachelor of Commerce in Accounting

Programme details:

This is a 4 years degree programme with 8 semesters and a total of 480 credits. Each semester consists of 60 credits to complete. 1 credit is equal to 10 hours of learning (guided, in class and independent combined), therefore a 10-credit module requires on average 100 hours of learning from the student. The programme consists of common 1st year modules, core (required) and elective modules as given below. Some modules may have pre-requisites (i.e. may require the student to pass another module or set of modules first). Some modules may be co-requisite (i.e. such modules are required to be taken together).
